

Dear Families,

For over 20 years, Lorain Community Elementary has provided students with a well-rounded educational program that integrates character education and social-emotional learning into daily lessons. We additionally emphasize hands-on and project-based learning to engage all learners. This year, we will incorporate a positive school culture where students will develop and create expectations for their classrooms.

We teach four core subjects (English Language Arts, Math, Science & Social Studies) and three specialty subjects (Art, Music, & PE). We customize instruction through small group learning and education technology. Our classrooms are equipped with Smartboards and 1:1 Chromebook access for each student.

Academic and social development of all students are supported by a qualified team of experienced leaders, certified teachers, instructional aides, and student-centered support staff.

Our school will provide several opportunities to provide the families several fun and engaging events throughout the school year, including quarterly awards ceremonies, field trips throughout the year, and

Thank you for choosing Lorain Community School for your child grades PK-8!

Sincerely,

Mrs. Michelle Riley, Ed.S.  
Principal
